NEWS

It is hard to believe this is our last term before the summer holidays. We are delighted to welcome Cameron May to Wiston Primary 5.

This is a busy term; please take time to check out the dates.

I would be very grateful if you could take the time to complete our Parent Questionnaire which was sent home at the end of last term. It helps to highlight any development needs we may have. As ever, if you do have anything you would like to discuss directly, please do not hesitate to contact me by telephone, email or text.

Elma McGregor HT

PARENT COUNCIL

Our next meeting is 16th May 6.30pm. All welcome

SCHOOL LUNCHES

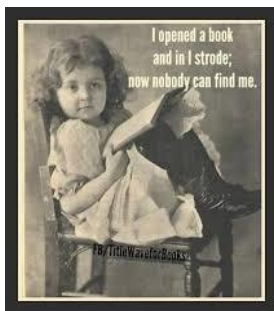

From 23rd April school lunches for Primary 4-7 children who pay, will go up to £1.65 per day. Please try to send in the correct amount as change may be an issue!

POTTERY

The children have been exploring their creative sides by experimenting with clay. They have had great fun trying different techniques and Viv Newton a local potter, came in on the last session before the Spring break with tiles for the children to work on using their own ideas. Once Viv has fired them the children will glaze them. We are hoping that the finished results will soon be on display in the school.

TRANSITION

Our Primary 6s and 7s have been making new friends at Biggar High School recently with our Primary 7s attending a STEM (science, technology, engineering, maths) Day and Primary 6s working with other Primary 6s from the Learning Community on an Enterprise activity. In the new term they will be attending Bridges to Schools, an engineering workshop at Biggar Primary School.

READING CHALLENGE

As part of the First Minister's reading challenge two authors came to visit us recently For the older children, Keith Charters told us about how he plans his stories and then Shalla Gray, who is also an illustrator, entertained the younger children with exciting tales from her characters including Big Bill the Beltie Bull.

RAG BAG

Thank you for your continued support for our Rag Bag bin at the school last term we earned £58.

WEBSITE

Keep checking our website www.wiston-pri.s-lanark.sch.uk for school updates and photos.
