LEARNING ADVENTURE

Once again, in partnership with their teacher and their peers, the children have been completing their individual Learning Adventures to showcase what they have been learning. Very soon, they will be bringing them home to show their family their own learning diary and I would ask that you take time to look over what is in it and discuss what they have been working on. A separate sheet will be sent home for you to make comment on your child's work and add any achievements from home

Please make sure the diary is kept safe and returned to school by Thursday 24th October

We appreciate your support with this and can I remind you, once again, of a quote from Jane D. Hull

At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents.

NEWS NEWS NEWS NEWS NEWS
