MATTERS ARISING. £170 was raised by the pupils/parents/staff from the Easter Egg Hunt. £85 each was donated to Wiston Lodge and Wiston Community Group.

Minutes proposed by Mrs Kimm and seconded by Mrs Barton

**HT REPORT**

- Water now only drink provided as part of lunch menu. Milk now available to buy lunchtime and /or playtime at 20p. E McGregor to find out if the school could buy large cartons of milk and sell to the children at a much reduced cost
- We are planning to track pupil's achievements at home and at school. It was suggested that a directory of out of school activities could then be built up for parents to utilise. E McGregor asked for suggestions for after school clubs either for this term or next session

**SCHOOL FUND**

E McGregor updated the parents on the School Fund showing how much income we had in the past year and how we have allocated some of it.

**EVENTS**

It was agreed that a Sports Day with Libberton was a good idea; it worked well last year. We now need to establish a venue. The date will be Thursday 11th June 1pm weather permitting

The annual school BBQ will go ahead as usual this year with end of June date to be finalised

**UNIFORM**

ALJ WORKWEAR in Lanark to be confirmed as a supplier for Wiston uniforms for next session. Alston's in Hamilton and Tesco can still be used by parents

Next meeting Tues 19th May 6.30pm
