

SCIENCE

- Investigate snow and ice, ie how long does it take to melt in different places inside and outside the house?

ART

- Look outside your window and draw what you see
- Make a 'snowy day' collage
- Make a detailed drawing of your favourite toy

TECHNOLOGY

- Design your own 'super sledge'. Label it and make a list of the materials you would need to build it
- Design your own 'snow' board game. Don't forget the rules for the game

Snow Activities

P1-3

LITERACY

- Write an imaginative 'snow story'/create a newspaper article on snow or keep a diary of what you have been up to in the snow
- Draw/write a set of instructions on how to build a snowman/snow sculpture
- Make up an imaginary story about a snowman that comes to life in your back garden
- Hunt for words in books/newspaper/comics etc that have your spelling pattern in them. Make a list to bring in and share with your group
- Practise your handwriting in the snow
- Create a new cover for your reading book, don't forget to include the name of the author, illustrator and write a blurb for the back cover
- Revisit phonic sounds/spelling words already covered
- Work on the alphabet/alphabetical order

NUMERACY

- Design a symmetrical snowman using 2D shapes
- Hunt for 2D shapes and 3D objects around your house. How many can you find? Make a list of them
- Practise mental maths - can you improve your speed and accuracy?
- Make a snowman, igloo or something else that is a metre tall! You could draw or take a picture of it and bring it into class
- Revise work on number bonds to 10, 20 and 100. How fast can you recall the facts?
- Play counting on games such as snakes and ladders

SCIENCE

- Investigate snow and ice, eg how long does it take to melt in different places inside and outside the house? Write out your experiment and include what you did and the results you achieved
- Visit the www.bbc.co.uk/weather website to gather facts and figures about the bad weather we are experiencing. Using this information, write a weather report for the whole of Britain which will give people detailed information about what temperatures and conditions they should expect
- Research snowflakes
- Compare weather forecasts using <http://www.bbc.co.uk/weather> and www.metcheck.com and www.metoffice.gov.uk

ART

- Look out of your window and create a detailed drawing of what you see
- Create a snow sculpture. Take a photograph or draw a picture of it to share with the class

LITERACY ACTIVITIES

- How many words can you make from the letters in WINTER WONDERLAND? Make a list and bring into school to share with the class
- Use the wintry landscape as a setting for a story
- Write a poem about Winter. Use adjectives
- Write a book review about the book you are reading
- Write a news report about the snowy weather including details about how it is affecting your family
- Using a camera, take pictures of your day and use them to create a comic strip remembering to sequence them correctly
- Write a winter poem using rhyming language
- Write an imaginative story about getting stuck in a snow storm

- <https://www.spellingtraining.com/>

NUMERACY

- Help an adult to cook or bake following a recipe. Take responsibility for measuring the ingredients
- Measure the snow using a ruler in one place each hour and keep a note of how much it increased or decreases throughout the day/days. You could then draw a graph to chart the changes
- You have a budget of £100 to spend on a snow themed party for 10 people. Using a supermarket website to help you, make a list of what you would buy and how much it would cost. Remember that everyone has to have something to eat and drink. You must not go over £100
